HAPPENING IN OUR PROPERTIES

We are pleased to share the exciting events that took place in December 2025.

Splash Stars Swimming Competition

Dana Club outdoor pool came alive with energy and smiles during the Splash Stars Kids Swimming Competition. The day started with pride as all our young swimmers stood tall and respectful for the national anthem. Then, it was time to make a splash! Swimmers from different age groups dove in for some fun, friendly, and fantastic races across the pool. This wonderful event showed how we encourage confidence, healthy fun, and a love for sports in all our children.

Mini Sports Day

The Mini Sports Day conducted on 11th December 2025, concluded successfully with enthusiastic participation and joyful moments for all involved. It was a fantastic event filled with energy, smiles, and incredible spirit as our young athletes aged 6 – 12 came together to celebrate teamwork, sportsmanship, and fitness.

The true victory of the day was not just in winning; it was in the laughter, encouragement, and sportsmanship shown by every participant. Well done to all our amazing athletes!

Qatar National Day

We were delighted to come together on the 18th of December 2025 to celebrate Qatar National Day with joy, creativity, and national pride!
Our young kids and their families enjoyed a wonderful day filled with meaningful activities at Dana Club. Children showed their artistic talents through Art & Craft by making Qatar flags and creating beautiful heritage designs such as camels. They enjoyed henna painting and face painting. The energy soared during the Mini flag march past, where waves of flags filled the air with patriotism, followed by a sweet and joyful cake-cutting ceremony.

It was heartwarming to see many parents joining in the celebrations, sharing smiles and pride with their children. The day was a beautiful reminder of shared heritage and community spirit. Dana Club made this National Day celebration very special and memorable!

In the F&B Department, there are various events during the month of December.

Special Events & Live Screenings

From 1 – 18 December, live football Arab Cup match screenings were held at the outdoor pool area. The events received excellent feedback from both members and guests. During this period, we offered Match Day Special menus, combo deals, a crepe, popcorn, and fresh juice station, which were highly appreciated. Overall, the live screenings received rave reviews from all attendees.

On 18th December 2025, we celebrated Qatar National Day with a special cake-cutting ceremony in the lobby, featuring attractive décor and elegant presentation, along with refreshments. Guests expressed great appreciation and love for the National Day celebrations.

Al Jewan Hall Events

Throughout December, Al Jewan Hall successfully hosted multiple male weddings and one female wedding, all arranged with traditional setups and authentic food presentations.

Outside Catering (ODC) Events

During the month, Outdoor Catering (ODC) handled several corporate events, including QE and QOC functions, as well as male weddings and VVIP female dinners at a Sheikha's residence. All events received excellent feedback for the setups, service quality, and food standards.

December was an active month filled with teamwork, creativity, and memorable culinary moments for the Kitchen Department. Here are the key highlights:

Farewell Gathering – Best Casual Staff

Despite our busy schedule, we took time to celebrate one of our outstanding casual staff members. His hard work, commitment, and dedication made a great impact on the team, and we wished him success in his next career journey.

Qatar National Day

Qatar National Day was the major highlight of the month.
Special appreciation goes to our Pastry Chef for the amazing desserts and cakes that beautifully reflected the nation's pride and colors.
Our own staff cafeteria was not left out – our talented chefs prepared delicious meals as we joined in the celebration.

Raffles Catering – Barbecue Live Station

Our ongoing Raffles staff catering included a lively Barbecue Live Station at the staff quarters. It added flavor and excitement to our daily service.

HAPPENING IN OUR PROPERTIES

During the busy month of December, the Kitchen Stewarding team efficiently managed side-banquet and Bayt Dana outdoor catering buffet preparations. The team upheld high hygiene and presentation standards by thoroughly cleaning and polishing all dishes, buffet elevations, and setup equipment prior to arrangement.

They also supported buffet setups and ensured that all hot dishes were consistently maintained at the correct temperature before the chef's final food preparation and buffet presentation.

The team continues to carry out daily deep cleaning of frequently used kitchen equipment, work shelves, chefs' GN trolleys, and floor areas to remove grease and oil buildup, and drainage corner areas to maintain strict hygiene protocols. Wall-mounted water hose reels are used to clean and polish stainless-steel parts, including hidden areas, daily and after use. This ensures that the workplace remains safe, hygienic, and free from potential hazards in day-to-day operations.

HAPPENING IN OUR PROPERTIES

This December, we rolled out new marketing initiatives to keep our members and clients engaged and informed about what's new at Dana Club. Here's a quick look at the events and promos we launched throughout the month:

F&B and Kitchen

We prepared the marketing materials for set menus: Breakfast Your Way, Grills & Flavors (BBQ), Oriental Evening (Arabic Cuisine), and the Sandwich and Pasta live stations. However, some materials were placed on hold to prioritize the Arab Cup and QND offers. We also promoted the Arabic buffet and Arab Cup live streaming in the lounges and Al Jewan Hall during QND.

Recreation

Arab Cup Live Streaming Campaign

We executed a 360° content campaign covering pre-event teasers, promotional and reminder reels, daily match announcements, daily team- or country-inspired featured dishes, member-exclusive creatives, and post-event recap content.

Qatar National Day

We delivered a full 360° campaign featuring QND membership promotions, bilingual content, media boosting, event branding, on-ground event coverage, and engaging post-event recap.

QND Membership Campaign

To expand our reach to corporate clients, we promoted the QND membership offer in Business Leaders Magazine through an ad, reel, and a feature article on Dana Club membership, banquet, and ODC.

HAPPENING IN OUR PROPERTIES

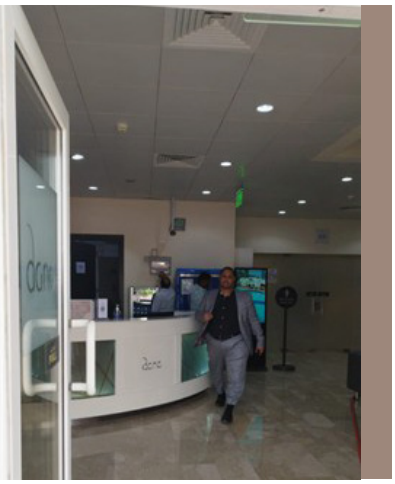
As part of our ongoing commitment to safety and regulatory compliance, preparations are currently underway for the upcoming Civil Defense inspection. The team is actively coordinating with all relevant contractors and internal departments to ensure that fire and life safety systems, documentation, and site conditions meet the required standards. Routine checks, rectification works, and system verifications are being closely monitored to address any observations in advance of the inspection.

Special focus is being given to fire alarm systems, emergency exits, firefighting equipment, and overall site readiness. We appreciate the cooperation and support of all teams involved in this process.



The Housekeeping Department's organizational standards, including marble floor crystallization and other housekeeping related works were completed.

In addition to this, the department also arranged a staff farewell party for one of our housekeepers, who spent three years with us and demonstrated excellent performance and skills. Your contribution is key to creating a clean, safe, and welcoming environment for everyone.

Fire Safety Training: Practical Session on Fire Extinguisher Use

The QHSE Department conducted a hands-on, interactive training session on the proper use of fire extinguishers as a core component of our ongoing Fire Safety Program.

The session reinforced the principle that while employee safety is paramount and evacuation is always the priority, understanding how to correctly operate a fire extinguisher can prevent a minor incident from escalating into a major emergency.

Pest Control Conducted in Male and Female Accommodations

Pest control treatment was successfully conducted on the 9th and 10th of December in both male and female accommodations. The treatment covered all rooms, common areas, and facilities to address existing pest issues and prevent future infestations, ensuring a safe and healthy living environment.

This important measure was undertaken to ensure the health and well-being of all residents by maintaining a pest-free environment. We appreciate the cooperation of all employees and are confident these measures will enhance overall living conditions.
