

HAPPENING IN OUR PROPERTIES

We were pleased to share the exciting events that took place in January 2026.

Brain and Body Olympics

The Brain and Body Olympics were successfully held on Thursday, from 5:00 PM to 8:00 PM at the Kids Lounge and Outdoor Court.

Our young athletes and thinkers, aged 4-12, dove into an evening of challenges designed to test their physical agility and mental sharpness. Teams collaborated through a series of engaging activities, including the memory-testing Tray Game, the wobbly Human Knot Balance, the sporty Puzzle Q&A, and the energetic outdoor Balloon Game and Hope Race.

The event perfectly achieved its goal of blending movement with problem-solving, all while fostering outstanding teamwork, communication, and cheerful perseverance among the participants.

Soccer and Skipping Rope Carnival

8 January was a burst of energy and laughter at our club as we hosted the unforgettable Soccer and Skipping Rope Carnival for our 4 – 12 year-olds. The field was a vibrant scene of friendly competition, starting with the Dribble Ball Challenge, where pairs from Team Green and Team White expertly weaved through cones.

It was a perfect evening wrapped up in cheers, celebrating not just goals and jumps, but incredible sportsmanship and unforgettable fun.

HAPPENING IN OUR PROPERTIES

January 2026 kicked off with incredible momentum following a month of exceptional service and culinary excellence. In the F&B Department, January was a month of diverse culinary experiences for our guests.

Signature Dining

Our BBQ live stations, Arabic buffets, and carefully designed set menus were well received by guests. We also successfully hosted VVIP reservation buffets. Guests were highly impressed with the food presentation and setup, leaving us with very positive feedback.

Outdoor Pool Event

The Batabait event was a highlight of the month. The setup and arrangements at the outdoor pool were flawless, and guests praised both the food quality and the high level of service.

Ooredoo Marathon Participation

We were happy to share that our team was part of the Ooredoo Marathon event under Katara Hospitality. We operated a dedicated stall offering refreshing detox water and nutritious energy bites to the participants, supporting them throughout the event and receiving positive engagement from guests.

Team Growth and Training

We believed in continuous improvement to stay ahead of industry trends. During the month, our team participated in specialized Barista Training, focusing on The Rise of Matcha: An introductory course on preparing premium matcha to meet growing guest demand.

HAPPENING IN OUR PROPERTIES

January 2026 was a busy and rewarding month for the Kitchen Department, marked by strong teamwork, flexibility, and consistent service excellence across multiple catering engagements.

Throughout the month, the team successfully handled numerous outside catering events, demonstrating our ability to deliver quality food and service beyond our primary operations. Each event was executed with attention to freshness, presentation, and timely delivery, reflecting the department's commitment to high standards.

One of the key highlights was our breakfast catering for Somerset Hotel, where the team provided a well-balanced and satisfying morning menu.

On 15 and 16 January, the Kitchen Department proudly supported the Ooredoo Marathon, preparing and supplying energy-focused items for the participants. The menu included protein bars, dates, oranges, glazed red cherries, and peanuts, carefully selected to support performance and recovery.

In addition to these events, our Raffles Hotel staff catering continued throughout the month. The team remained consistent in delivering flavourful, well-prepared meals, ensuring staff satisfaction and morale.

HAPPENING IN OUR PROPERTIES

The Kitchen Stewarding Department provided training both before and after operations on the proper cleaning of the ice maker machine. This training covered the step-by-step cleaning process as well as the correct methods for ongoing maintenance.

Cleaning activities were tracked through proper documentation and paperwork to ensure accurate monitoring and compliance. It was recommended to follow a regular cleaning schedule. However, if any foul odors or visible dirt were noticed, the ice maker was cleaned more frequently. This was considered a good rule of thumb to ensure proper hygiene and maintain cleanliness.

Additionally, the team carried out daily cleaning of GN trolleys and drainage systems to maintain high hygiene standards and keep the area clean before and after operations.

HAPPENING IN OUR PROPERTIES

During January, we launched new marketing initiatives for our members and clients. Below was an overview of the month's events and promotions at Dana Club:

F&B and Kitchen

We promoted set menus: Breakfast Your Way, Grills & Flavors (BBQ) and Arabian Flavors (Arabic Cuisine Buffet).

Recreation

We supported the promotion of the Soccer & Skipping Rope Skills Carnival, Little Heroes Adventure Day, and Active Explorers Day.

Ooredoo Marathon 2026

We participated in this event as a sponsor under Katara Hospitality.

As part of our community engagement efforts, we hosted a Spin & Win game, giving away vouchers and encouraging participants to follow our social media pages via QR code, which also linked to the Dana Club profile.

With support from the Front Office team, our booth visitors learned about Dana Club membership offers and services.

We promoted the kids' activities, including sports challenges, games, arts and crafts, and speed and endurance challenges organized by our Recreation team, along with complimentary healthy refreshments from our F&B team. Membership offers and club services were highlighted through roll-up banners and an LED screen.

HAPPENING IN OUR PROPERTIES

Coverage and Shoots

We conducted shoots for kids' activities, outdoor catering for corporate and individual events, membership, Al Jewan Hall and male weddings.

We prepared materials for Ramadan 2026 and worked on Qatar National Sport Day.

We presented the following sales highlights for our banquet and outdoor catering (ODC) operations this month.

Al Jewan Hall

At Al Jewan Hall, we hosted 6 male weddings.

Yakka Room

We served 1 Jaha function and 1 meeting.

Outdoor Pool Area

We had 1 Gathering of Qatar Motorcycle Club (Batabit).

Outdoor Catering

ODC bookings this month included 2 Qatar Energy events, 6 male weddings, and 3 VIP ladies' dinner events as well as Raffles Hotel & Fairmont Hotel daily staff catering. We also submitted the cafeteria catering proposal to Milaha.

Membership

We sent the membership renewal agreements to our corporate partners. Signed agreements have been received from Qatar Energy, Qatar Development Bank, Elan Group, Aspire, Al Jazeera, and Qatar Customs.

HAPPENING IN OUR PROPERTIES

The PR and Reception Department would like to share the following:

Ooredoo Marathon 2026

Over 200 welcome vouchers were printed and distributed to the participants in the Ooredoo Marathon, which was held on 15 January 2026.

Membership Promotion

To celebrate community spirit and encourage active participation, discounts of 20% off standard rates were offered. Choose one complimentary benefit:

- All recreation vouchers, or
- 1-month complimentary membership, or
- Set of allocated vouchers

Guest Relation Team Highlights

Guest Relations Team members actively participated in club photo shoots on various occasions, including the Ooredoo Marathon. In parallel, the team brainstormed innovative activities and promotions tailored for guests and members during the upcoming Qatar National Sport Day event.

Food & Beverage Initiatives

The series of F&B themed nights were prominently featured during show-arounds for prospective new members, effectively demonstrating the unique, engaging, and memorable offerings that set our club apart.

During this month, the Engineering Department successfully completed a grouting improvement project in the changing room areas. The scope of work included repairing and reapplying damaged and worn grout between floor and wall tiles, particularly in high-traffic and wet areas. Over time, grout deterioration can affect both hygiene standards and the overall appearance of the facility. This project was undertaken to restore a clean, well-sealed, and safe surface, ensuring better water resistance and reducing the risk of tile movement or further damage.

Impact on Guest Satisfaction

- Improved cleanliness and hygiene: The renewed grout enhances cleanliness and makes daily housekeeping more effective.
- Better aesthetics: The changing rooms now present a fresher, well-maintained appearance, reflecting the facility's quality standards.
- Enhanced safety: Proper grouting reduces water seepage and slippery conditions, contributing to a safer environment for guests.
- Increased comfort and confidence: Guests can enjoy the changing rooms with greater comfort, knowing the area is well maintained.

This proactive maintenance activity demonstrates our ongoing commitment to facility upkeep and continuous improvement, directly supporting a positive guest experience and satisfaction levels.

HAPPENING IN OUR PROPERTIES

The Housekeeping Department successfully met all organizational standards and completed their assigned tasks.

The team also provided hands-on training on window glass cleaning for new joiners and organized a farewell for a housekeeper who served with us for three years and was recognized for his excellent performance. Their contribution was key to creating a clean, safe, and welcoming environment for everyone.

HSE Induction and Grooming Standards Training

The QHSE Department successfully conducted HSE Induction and Grooming Standards for new joiners. Training for employees was part of our ongoing commitment to workplace safety, hygiene, and professional conduct.

The training focused on familiarizing employees with essential health and safety requirements, organizational policies, and expected personal grooming standards to ensure a safe, hygienic, and professional working environment across all departments.
